

Roster Management Instructions

You will need the email address that you regularly use to transact with IASB. If your email address is not on file with IASB, or if you don't know the email address, please contact IASB at (217) 528-9688, ext. 1100.

1. Go to www.iasb.com. Click on the "Member Login" button on the top navigation.

2. Enter your email address and password. (Note: If you do not know your password, use the "forgot your password?" link. Make sure to check your spam folder from info@iasb.com if you do not see it in your email inbox.)

3. To return to your account page at any time, please click the "Hi [Your Name]" button on the top navigator bar.

4. At the bottom of the page, click **Districts You Manage**. This will bring you a list of all districts that you have the authority to manage the roster. Click on the district name.

5. You will be taken to a screen where you will be able to view your current and historical roster. Please note that this roster may be two or more pages long. If a board member's term recently ended and you have not updated your roster, you may need to scroll down to the bottom of the page and adjust the term end date to reflect the new term. (Note: we recommend making the term end date 5/1 and then the year.)

6. After checking your current and historical roster lists, if you need to add a new member to your roster, click the “Add New” button at the top right corner of your “Current/Future District Roster” list.

7. You will be directed to a screen that will check to see if this person already has an account with IASB. Please enter the email address that they will use to access our system. (Note: It might be a good idea to verify with the board member an email address that they will be more likely to remember and regularly access. If the person is already in the system, please verify their name and click “Add Roster.”)

8. If the email address is not found in the system, please click “Add Individual” and fill out all of the pertinent information. If you do not have a home address for this individual, please use the district address and encourage the member to access their own account and update their information later. We recommend using the current date as the start date and a term end date of 5/1 and then the appropriate year.

If you have any questions about the IASB member database, please contact (217) 528-9688, ext. 1100. Should you get any questions from your board members about email addresses or term dates, please log in as yourself and check your district roster.
