WHO WE ARE

AbundaBox is proud to partner with the Illinois Association of School Boards, advancing a mission to integrate health directly into the fabric of education. Together, we're dedicated to preparing students for a successful future by providing comprehensive health and wellness support.

WHAT WE DO

By joining forces with the Illinois Association of School Boards, AbundaBox extends its reach, delivering monthly Health Packs and 24/7 clinical support to families at no out-of-pocket cost. Our initiative is dedicated to maintaining the health and well-being of students and their families.

YOUR HEALTH WITH ABUNDABOX

AbundaBox goes beyond the basics, delivering Health Packs brimming with health essentials and educational tools, directly to your family, ensuring wellness is within reach.

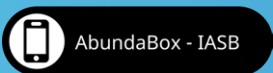

MENTAL HEALTH ADVOCACY

Together with the Illinois Association of School Boards, AbundaBox prioritizes mental well-being, offering resources and support to cultivate a mentally healthy community.

EDUCATION & HEALTH, HAND IN HAND

With the Illinois Association of School Boards, AbundaBox fosters a well-rounded educational journey, blending life skills with health literacy to prepare students for life's challenges.

CHECK YOUR ELIGIBILITY

If eligible, our services come at no added cost, being covered by your existing government & insurance programs.
