

LIMITED VALET PARKING

IMPORTANT INFORMATION

REGARDING YOUR UPCOMING ARRIVAL

Hyatt Regency Chicago looks forward to welcoming you back! It is our pleasure to be your host while in the Windy City. In an effort to ensure your arrival experience is a positive one, please read through the below information carefully.

LIMITED VALET

Valet parking availability will be on a first come first serve basis and will be *limited* during your stay. We strongly encourage you to make plans to self-park or carpool with fellow colleagues during your upcoming stay.

Please be advised that the hotel parking garage has a clearance of 6'8" and cannot accommodate vehicles with double tires in the rear. If your vehicle larger than a Ford F150, Chevy 1500 or Dodge Ram 1500 it is likely oversized.

Attendees are strongly advised to self-park, especially if they do not plan on moving their vehicles for the duration of their stay. This is the most cost effective and efficient option.

Touchless self-parking is easy through LazGO at the Illinois Center. The entrance to [the Illinois Center is 111 E. Wacker](#). Hyatt Chicago is connected to this garage via the underground [pedestrian walk way](#).
